Mission Vision 2020

March 6-7

Volunteer Duties

Security – Security shirts, radios, check all floors for unexpected people making disturbances. Make sure that people aren't in areas where they shouldn't be. Keep traffic flowing smoothly.

Photographers – Snap pictures of basically anything and everything that you can. DO NOT take any pictures in the children's ministry areas (security reasons). Photographers need to be available at any time Friday night and all day Saturday.

Children's Ministry – Show up a few minutes ahead of time to your classroom. Sign kids in and out. Make sure there are snacks there for the kids. You MUST have a criminal record check done in order to work in this department. It's for ages newborn to 12. Need about 5-10 workers.

Set Up and Cleanup Crew – Be there Friday during the day to help with setting up chairs and tables in the different rooms. Also stay after the last service on Saturday to help clean up all the tables and chairs and help with any and all cleanup.
