

My wife Jo and I are very thankful for your prayers during my health challenges. I am glad to report that I am back to my full schedule. My energy level and stamina are increasing daily, and Pastors are coming to D.C. for Prayer Partnerships. **We have been traveling constantly, seeing people come to salvation in Jesus Christ, and decisions being made for the cause of God and Country. THANK YOU FOR BEING A PART OF THIS GOD AND COUNTRY MINISTRY!**

Pastor Andy Doll and his family came to Washington recently. It was great to see them and have some fellowship! Brother Doll is an excellent pastor doing a tremendous job in Wisconsin. Brother Andy Doll is a true patriot pastor who personifies the spirit of our Founding Fathers.

Pastor Joe Grande and Associate Pastor Bill Lystlund in Stockton, Missouri, are dear friends and have been to D.C. for a Prayer Partnership. I don't know two more gracious men than these brothers! Very thankful every time I go to preach at Faith Baptist Church

Pastor Jon Shook is a gracious Pastor of a high-energy church. We had a great time with his church family. Brother Shook is a thoughtful host.

It was a blessing to preach again for our dear friends Pastor and Mrs. Constantino. They have been faithful servants to our Lord for many years in New York State.

Dr. Mike Allison is a consistently great pastor and a good friend. His church is high-energy and very interested in doing more for our country. It was a blessing to preach for him.

Pastor Mickey Hollars has stood by Biblical standards for decades. It is an honor to know brethren like this man.

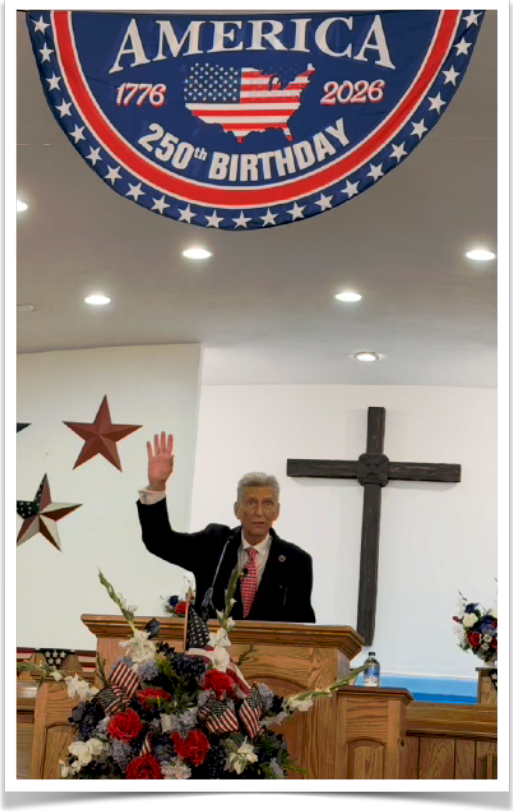
It was an extreme honor and privilege to host a conference on God and Country during The National Sword of the Lord Conference. I am very appreciative of my friend **Dr. Shelton Smith** for affording me this opportunity.

One of the added blessings is seeing good friends! Pastor Jeff Fugate and Pastor Mike Wells are biblical thinkers and very gracious brothers!

I have known Keith Carringer and his family for years. Brother Keith Carringer is a fine young Pastor beginning a great ministry in Florida. I am very thankful for young pastors who are "staying by the stuff". I am also thankful I can call him my friend.

Brother Jerry Ross is a very unique Pastor of a vibrant church family. He is a multi-talented individual. Brother Ross is an author, organizer, and great preacher. It was a tremendous experience to preach for him.

While at Pastor Dennis Leatherman's, I spoke to a Men's Meeting on Saturday and all day Sunday. During the Sunday evening service, we honored a 102-year-old World War 2 verteran. What an amazing man, who is very faithful to his God and his Church.



While at Brother Leatherman's, Jo's childhood friend came to hear me preach and accepted the Lord as Saviour. This truly was a divne appointment!

We thoroughly enjoyed our time with the Nettesheims at the Chesapeake Baptist Church. On Monday, I was able to take a group from their church on a Christian Heritage Tour through Washington, D.C. We had a wonderful time learning more about God's hand in our country's history.

It was great to meet Pastor Joe Carpenter, pastor of Central Baptist in Ocala, Florida. They have a thriving ministry and an amazing Christian School.

Pastor Brock Henry had a great attendance for the God and Country Sunday. Aside from that, he had two state legislators: a State Congressman and a State Senator. These two Christians, called into service, are unashamedly standing for Life, Liberty, and the Pursuit of Happiness.

My wife Jo and I want to express our deep gratitude for your continued prayerful and financial support. We could not make a difference on Capitol Hill and help God's people understand their responsibility to our country without our dear friends. We pray for you and your ministries every day, and we count it an honor to be among your missionaries.
