EMBER COMMUNITY CHURCH

Building a Church for Future Generations

November 18, 2026

Dear Friends and Ministry Partners,

Grace and peace to you!

I am excited to share an opportunity that God has recently opened for Ember Community Church. We are prayerfully pursuing the purchase of an existing church building on Beale Street in Quincy, Massachusetts, formerly home to a United Methodist Church congregation.

Over the past year, we have been amazed by how God has led and grown Ember. Since launching in November 2025, we have seen God bring people together, build meaningful relationships, and open doors for ministry in our community. What began as a step of faith has become a growing church family seeking to know Jesus, grow as His disciples, and share His love with others.

As we look toward the future, our vision is to build a Gospel-centered church for future generations, together with a Church & Community Hub where people can find spiritual encouragement, meaningful relationships, and practical support.

A Community in Need of Hope

Quincy is a vibrant and diverse city of more than 100,000 residents, with a significant Asian and immigrant population. Many immigrant families face language and cultural barriers, parents seek support in raising and educating their children, and young people need positive relationships, mentorship, and a sense of belonging.

We believe God has placed Ember in this community for a purpose, and we see this building, with its strategic location and versatile facilities, as a unique opportunity to fulfill that mission.

A Building with a Renewed Purpose

Located on Beale Street in Quincy, the property includes:

- A sanctuary seating more than 300 people
- An indoor basketball gymnasium
- Multiple classrooms and flexible ministry spaces
- A convenient location near schools, residential neighborhoods, local businesses, and Wollaston MBTA Station

We envision this property becoming more than a place for Sunday worship. Throughout the week, it could be a welcoming space for children and youth programs, educational opportunities, family support, community gatherings, and Gospel outreach.

We are grateful for the building's long history of Christian ministry and hope to continue its legacy of serving God and the surrounding community.

An Invitation to Partner with Us

As a young church, taking this step of faith is a significant undertaking. Our overall fundraising goal is approximately $2.5 million, which will support the property acquisition and initial improvements needed for ministry. We are prayerfully working toward completing the purchase in early 2027.

We invite you to prayerfully consider partnering with us in three ways:

PRAY — Pray with Us

Pray for God's wisdom, guidance, provision, and unity as we discern His will and take the necessary steps forward.

PARTNER — Support the Mission

Consider making a financial gift to help establish a lasting home for Gospel ministry and community outreach. Every gift, large or small, can make a meaningful difference.

For individuals or organizations interested in supporting this vision through a Mission Loan Partnership, we also welcome the opportunity to explore this option together. Please contact us at **info@embercc.org** for more information.

CONNECT — Help Open Doors

Share this vision with friends, churches, organizations, and others who may have a heart for Gospel ministry and community transformation. We also welcome professional expertise, resources, and potential ministry partnerships.

Moving Forward Together

We recognize that this is a significant step of faith, and we are grateful for the many people who have encouraged and supported Ember along the way.

Our hope is not simply to acquire a building, but to establish a place where people can encounter Christ, families can be strengthened, and future generations can be reached with the Gospel.
