PARISH POTLUCK & VISIONING CONVERSATION

SUNDAY, JANUARY 19TH
NOON ~ PARISH HALL

This is a very important time in the life of our parish. So, let's do what we do best – gather as a community, share in a meal, and be creative! St John's vision is to be a vibrant ministry hub in the Centretown community. How do we put "ministry hub" into practice on the ground, grow our presence, and be sustainable? Bring food to share and we will gather in table groups with a few thought provoking questions. If you have only attended a few times or are a long-time member, come and share your ideas. Let's spark one another!
