5. KNOW Qs: Do you remember coming to KNOW Jesus Christ? What did that look like for you? Do you rehearse that story like a fond memory? Do you remain happily grateful for meeting and knowing Jesus?

6. GROW Qs: Are you trending towards looking more and more like Him? Are you standing still or moving forward in your faith journey? What are you doing to cultivate intimacy with Jesus Christ? He pursues you. How are you pursuing Him? Who could answer these questions with you (your partner, a friend)? Maybe they could help you see where you are growing and what you may need to work on.

7. GIVE Qs: What time are you giving to the body of Christ? What gifts do you offer in service of the kingdom of God? How are you financially supporting your staff and the ministries of this church?
