Several Swift Current churches are working together to hold a conference on April 5 – 7, 2019 entitled "*Who is My Neighbour? A Canadian Discussion.*" The conference will feature several Christian indigenous leaders from different denominations and across Canada. It will focus on learning to see our neighbors through Jesus' eyes. We are planning to have over 200 people come together for this weekend event that we hope will set the tone for the dialogue in our city, and be transformative in terms of our understanding and attitudes. The conference events will be held at several Swift Current churches throughout the weekend. Many volunteers are needed to make this a successful event. You are invited to a vision casting, and volunteer engagement meeting on Tuesday, Nov 13th at 7:00 pm at the Salvation Army (780 1st Ave NW.) You can be a key part of making this a transformative event in our community.

THANK YOU

A huge THANK YOU to all those who contributed to the bedding requirements of our new refugee family. They are settling into their home and enjoy living in an actual house after 3 years in a tent and 3 years in a sea-can container! Thank you to the quilting ladies who donated many quilts for the Mayyuf family. These quilts are especially appreciated as they adjust to these cold temperatures. Our precious family is putting on a brave face as the children have started school and the parents are enrolled in English classes at the college. They are learning to navigate the grocery store and receiving health care that they haven't for years and years. Please continue to pray for their new life in Canada. They would much prefer a pre-war Syria with their family and friends. Loneliness and grief are a large part of their every day lives. Your friendship and time is the greatest gift you can give this family.
