Support our Local Broncos. There is a **Faith Night** being planned on January 7, 2018 at 4pm. The goal of this night is to highlight that there is a chapel program going on, and to also have a couple of the guys on the team share their faith, or how the chapel program has been a positive experience for the group. However, the main goal of this night...as a Church community ...is to support/cheer on our local team and keep them in our prayers. There will be a sign sheet on the office counter if you would like to sit in our church's section of the rink and the Bronco office is offering group rate tickets.
