

TAKING OUR NEXT STEPS FORWARD

Our desire is to glorify God by becoming a
Christ-centered, Spirit-empowered church;
Making Jesus known among us, around us, beyond us.

But how will we do that? What are the next specific steps on mission?

1 LEADERS

Invest in the ongoing identification and development of lay leaders.

STEPPING FORWARD

We will work to have lay leaders trained and mobilized into the work of making Jesus known among us, around us, beyond us.

2 MISSIONS

Focus and simplify our involvement in missions to raise our corporate engagement and increase our impact.

STEPPING FORWARD

We will review and evaluate our current approach to missions, and make necessary adjustments to ensure that our corporate missions partnerships are easily identifiable, vision and mission aligned, and mutually edifying.

3 MESSAGE

Create a communications plan that is consistent, effective, and rooted in our vision and mission

STEPPING FORWARD

We have a wonderful message to communicate - we are making Jesus known, and inviting people to become Christ-centered and Spirit-empowered. We will strive to ensure that what we say, how we say it, and who we say it to are held with equal importance.
