Amazement and Delight

1)

Amazement and delight, in the world's sacred mystery!
Praise for the source of all joy and compassion!
As the rising up of the sun, like the twilight glow,
Glory shines, shines on us.

2)

There is nothing to fear, throughout all of the cosmos;
A metamorphic love fashions strength from our weakness.
The poor are raised, the empty filled ~ all are truly one!
Glory shines, shines on us.

3)

Through doors our fears have barred, comes a presence that heals us,
Inviting us to exhale all our shame, all our violence.
The Holy One is risen up, spacious is our place.
Glory shines, shines on us.

4)

An execution-stake is outplayed by love's power.
Five transfigured wounds, paradox of our wholeness.
Within our life, beyond our death, resurgent energy!
Glory shines, shines on us.

5)

The Paschal mystery works in us its renewal:
A cosmic Christ of peace, no more victims to punish.
A throne of love, defusing hate, forgiveness by a breath ~
Glory shines, shines on us.
