## Our Ministries

**Monday Evening Bible Study:** We are a small group of approximately eight people, meeting under the leadership of Cyril. We focus our study upon a particular book of the Bible and usually use a text to direct our discussions. In the process we cover a wide range of topics in our desire to understand the passage we are studying and to apply its message to everyday life. The only prerequisites to joining our group are a desire to learn and a sense of humour. Should you wish to learn more, please talk to Frances Pike after the service or Father Cyril.

## Financial News

### January 1 to March 31, 2019

Our income to the end of March is approximately \$1,000 less than 2018. Our deficit to the end of March is \$13,676, \$9,154 less than 2018 due to decreased expenses. We pray that our deficit will have shrunk substantially in the month of April.

**GARDENS** If you are able, as you get ready for the growing season or when you buy your spring plants for your garden add an extra tray or two for the church. Kerry is hoping to get some ongoing help from you to maintain the gardens, I'll explain later.

Kerry has arranged for us to have two plots at the **MidSun Community Garden**. The plan is for us to plant these gardens and donate the produce to Vet's Food Bank and the regular food bank or others? It will not take much time but I think will be an important addition to our Stewardship.

**OLD CHAPEL** There is an ongoing beautification project at the Old Chapel. People are asked to take over an area and put shrubs and flowers in. We would have to coordinate our efforts so that it fits in with the overall plan but we can do this. I will find out more and update you.

As you can see there are opportunities for gardening talents and Kerry looks forward to your help.

## Outreach

### A HEALTHY BABY IS THE BEST MOTHERS DAY GIFT OF ALL

"Mother and baby are doing fine". These are the words that most people expect to hear when a new baby enters this world, but for far too many mothers, giving birth is fraught with poor health and exhaustion before the birth and the struggle to survive afterwards. Again, this Mother's Day, we celebrate what PWRDF has accomplished through its Maternal, Newborn and Child Health programme. After all, a healthy baby is the best Mother's Day gift of all.

### 5th Sundays of the Month are Food for Others

**Sundays at St. Paul's.** Everyone is invited to bring non-perishable food items to share. The Food Bank bin will be brought to the front and all gifts prayed over at Announcement time.

This is one way we can care for one another, and all get through this challenging time together. Thank you to everyone who has donated to this fund, which presently sits at ap-

proximately \$2,000 with \$4,600 having been disbursed.

**The Al Jbawi family**, whom our NeST programme supported, is wishing to move into a larger home, for their family of 6. They prefer to stay close to their work and schools in the Westbrook and surrounding areas.
