## THE NEED

In the midst of our worldwide pandemic, youth experience a variety of losses, added stress, anxiety, disappointment, and trauma. Allowing youth to have fun, meaningful, honest conversations, and pray with others can be helpful and healing.

## OVERVIEW

We will train you and a select group of your youth and young adults via Zoom. The training will include caring people skills for which Peer Ministry Leadership is so well known, as well as basic Service Learning information and education. The goals of the training will be to equip and empower participants to lead mentoring style “*Intentional Conversations*” and to gain an expanded understanding of serving others using the concepts of Service Learning.

## IMAGINE

Imagine your participants building welcoming, caring relationships with others in your church and community.  
Imagine youth and young adults having deeper faith and life conversations.  
Imagine youth and young adults praying with others!  
Imagine youth and young adults having an expanded and informed vision for service learning.  
Imagine youth and young adults who understand the relational concept of *accompaniment*.

## FEATURES

- 30 minute orientation for adult leaders
- Four and half hours of training over 2 days
- Intentional Conversation resources
