SOCIAL JUSTICE & OUTREACH MINISTRY

A Prayer at this time of Civil tensions:

Give us the grace and strength to rid ourselves of racial stereotypes that oppress some of us while providing entitlements to others. Help us to create a church and a nation that embraces the hopes and fears of

oppressed people of colour where we live as well as those around the world.

And in this time of Pandemic help us keep our church people and community safe.

Amen.

GREEN TEAM – PLASTIC BAGS AND GLASS Do you want to know more? Go to recyclebc.ca. Their website is full of information about what and where you can recycle. What can and cannot go into the blue bin. It will also take you on a recycle house tour about plastics and show you crafts that kids can make from recyclable products. Check it out. The bad news is that we can no longer take our plastic bags and glass to places in Parksville and Qualicum for recycling. However, there is a place in Nanaimo where you can drop them off for recycling at 2250 McGarrigle Road. However, we don't all go there, do we? But Sallie Dabb does and is willing to take you plastics and glass when she goes. So just phone or email her and if needed she will come to pick them up.

SACRED SPACES MINISTRY

IMPROVEMENTS TO KNOX GROUNDS – Next time you are in the neighbourhood drop by and see the improvements to the Knox grounds. All the curbs have been power washed and painted. The potholes have been filled thanks to Ian and Chris, plus the columbarium area has been spruced up by the distribution of the sand. As well, Ian has put new handicapped signs on the front curbs of the church. Margaret Warburton, Co-Lead, Sacred Spaces.

Knox United Church Council 2018-19

For a list of Council Members and Team Leaders,

<https://www.kucparksville.ca/about/our-leadership--13>

As Knox begins to transition out of phase 1 of the church closure, it is not anticipated that regular activities of the church will resume in the foreseeable future. In consideration of the reduced activities, council has decided to temporarily reduce the hours of the church administrator to reflect our current reality. A priority for Jane, in addition to the eNews and Order of Worship, will continue to be monitoring telephone and email communications. We ask for your understanding when waiting for a response and we thank you for your patience. This change will be in effect until further notice.

SPIRITUAL FORMATION MINISTRY

BIBLE STUDY VIA ZOOM – Wednesdays 10:30-12. Email Karen Freeman at facility@kucparksville.ca for a zoom invite. Zoom meeting ID and Password will be emailed in the body of the eNews email itself.

COUNCIL NEWS

THANK YOU – A special thank you goes out to Megan Hurd, a member of our crisis team, who just recently applied for, and received a \$3000.00 grant from the Parksville Qualicum Community Foundation. This is very welcome news especially coming currently when offerings and income are in a state of flux. Thanks, Megan!

FORMULATING A PLAN - The Knox crisis team in conjunction with Facility management and Worship have been busy formulating a plan for what worship services might look like in the short and long term. Policy pertaining to small and large group usage has also been discussed at length with strict adherence to directives from B.C. Health, the government, WorkSafe and the Regional office of the United Church. A draft for discussion will be presented to council at their next scheduled meeting on June 16th. Our aim is to keep everyone current with information, alleviate further concerns arising from confusion and misunderstanding, and to promote the present situation as a challenging and positive way to strengthen our faith and build a stronger community. So please stay tuned and keep well. Submitted by Don Emerson (on behalf of the ministry teams).

FORMATION OF AD HOC COMMITTEE In light of Jenny Vincent's resignation as Music Leader, Council approved the formation of an ad hoc committee, of no more than 7 people, to complete a needs assessment for the music position at Knox United Church. A letter is being sent to all members at Knox further explaining the process.

CHURCH LEADERS ACKNOWLEDGE THE RACISM IN THEIR MIDST

In response to the demonstrations across the United States and Canada in the wake of the May 25 death of George Floyd in Minneapolis, the leaders of the Evangelical Lutheran Church in Canada, the Anglican Church of Canada, and The United Church of Canada have [issued a joint letter](#). They write, "It is important for church members in our largely White churches to look at how we continue to perpetuate anti-Black racism, either inadvertently or intentionally."

Find resources and information on challenging White privilege, becoming an Intercultural church, the church's participation in the UN Decade for People of African Descent, and much more on our [Anti-Racism web page](#). Consider taking a pause on posting to your social media channels for the rest of the day, as part of the [#BlackoutTuesday movement](#). Use the time instead to read books on anti-racism, listen to podcasts by Black activists, or do some research into what your local community is doing to amplify the Black Lives Matter movement. It is a time for listening and learning.

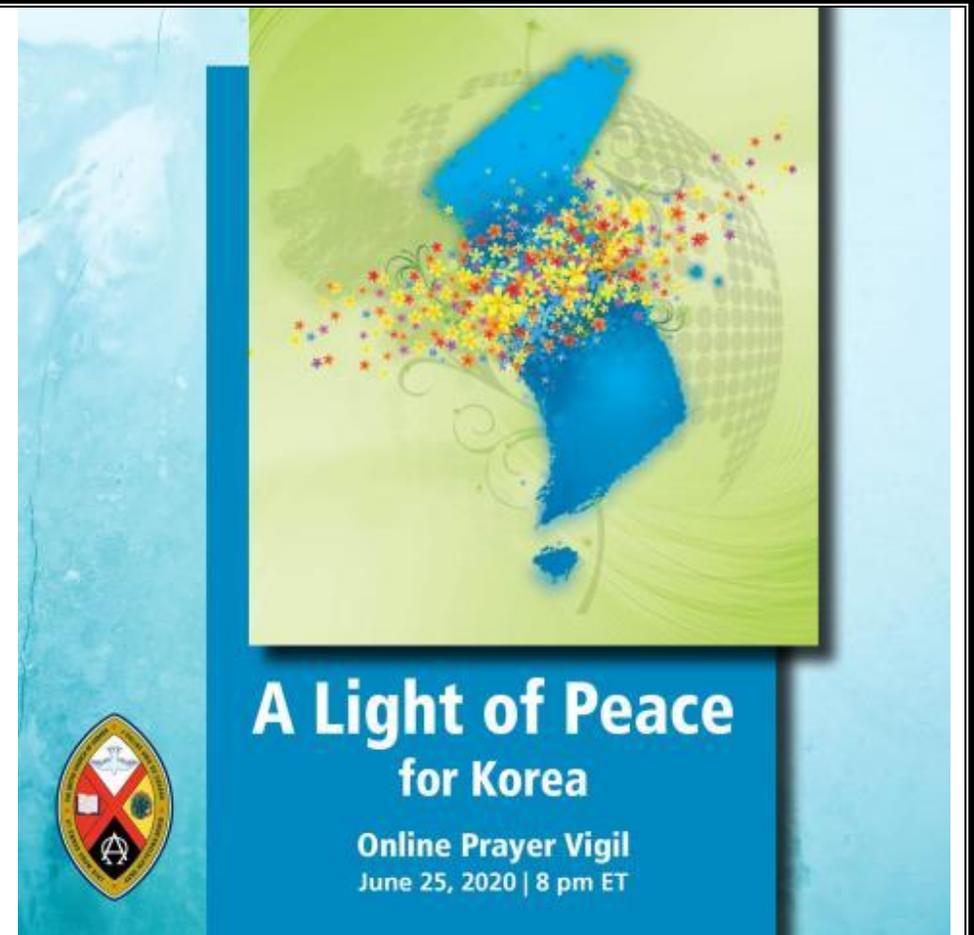

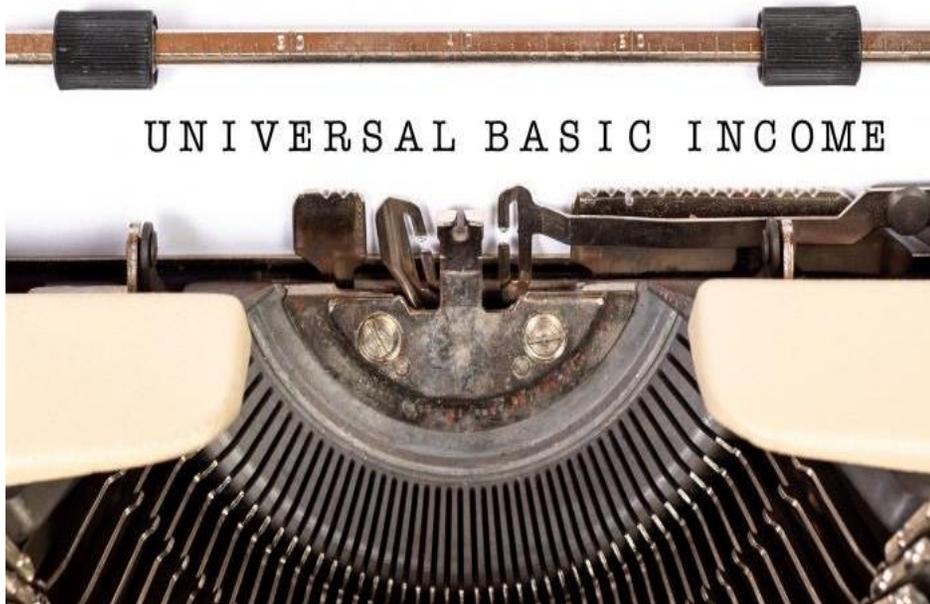

UPDATES FROM THE GENERAL COUNCIL EXECUTIVE

On May 25, GCE [accepted proposed updates](#) to the Medical Assistance in Dying (MAID) statement. TAKE ACTION: Create a Universal Basic Income Program

Poverty can happen very quickly to anyone. Aware that some pandemic-related relief programs (such as the Canada Emergency Response Benefit, CERB) are scheduled to wind up in July, Moderator Richard Bott has written to elected officials encouraging them to seize the moment to roll out a Universal Basic Income (UBI) program in collaboration with the provinces, territories, and Indigenous leadership. [Find out how you can take action](#) at a local and federal level.
