PRAYER MATTERS

This week, we are praying for our ELL ministry. For many years now Lambrick has been offering our community weekly classes for **English Language Learners**. The Monday morning class has fewer students this spring sessions, but everyone seems to be enjoying the class. Please continue to pray for the regulars and the drop in students who attend. Also pray for the leaders as they seek to meet the needs of students with varying levels of English. The Thursday morning class is going well. We thank God for bringing students and teachers. Average attendance is seven to eight students - some who are believers and some seekers. We pray that the students will come to know Jesus and grow in their faith.
