Missionary Corner - Unger

Thanks for checking in! We are doing alright here. In many ways our life hasn't changed much; Paul did have to cancel his spring trip to the Solomons and the kids are home from school, but we are well and continue on with translation work (Paul) and school (Cathy and kids). The unexpected stuff is that Hannah is home early from university and we are unsure what jobs might be available for her this summer, and Isaac's June graduation ceremony etc. has all been cancelled until further notice. We are very thankful that so far the Solomon Islands has remained covid free. In efforts to empty the population dense capital, though, ships went out to return people to their home islands. These ships were overloaded and unfortunately a hurricane swept at least 27 people overboard. Please pray for those who are grieving. Thank you for continuing this journey of faith with us.

Church Family News

With the sun and the rain and warmer weather the lawn keeps on growing. We are looking for volunteers to take a week between now and September. Contact the church office to volunteer. The church has a lawn mower but unfortunately can not supply gas.

For this past year, we would like to give a thank you to our Church Family for all the support and care in regards to our moms passing Annette Dufour (Lise Klassen and Roger Dufour) as we remember one year.

Also having a second mom pass away on Christmas day, Helen Klassen mom , Grandmothers to our adult Children.

Jim and Lise klassen and Family as well as Roger Dufour and Family are thanking you. We are blessed to have you all in our lives.

Lise's broken arm is slowly healing. I am happy that God is a great healer even when many thought and doubted, how can this heal without surgery.

If He can create and mold us in the womb how much more can He heal and make us whole again!

Be joyful in hope, patient in affliction, faithful in prayer Roman 12:12

VBS has been cancelled for this summer due to COVID-19. If restrictions should suddenly change in timely fashion so as to facilitate this program we will begin preparation. Thank you for your patience in this matter. We have waited as long as possible to see how things would develop. Thank you so much for volunteering and we are set to go for next season.

"We exist to glorify God and make disciples of Jesus Christ."
