SOULCARE

7 TRANSFORMATIONAL PRINCIPLES FOR A HEALTHY SOUL

CONFERENCE

APRIL 13-14, 2018

VERNON ALLIANCE CHURCH

WHAT IS SOUL CARE?

We are all aware that our souls are not perfect places. We are made of *body, soul and spirit*. God made us unique in that way from all other things in creation.

Our body is easy to identify. It is what we most easily see and physically feel. Our spirit is the part of us that will live on beyond our earthly physical lives whether with God or separated from God. This is the part that is fully sanctified positionally in Christ when we come to Jesus. It is made right with God and seen as right with God.

Our soul is that unseen part of us that is very much involved in who we are. It is the seat of our mind, will and emotions. This is the part of us that can be broken and corrupted by sin and death. It is where our hurts, woundings and cracks are found. Our soul is the place that we act out of and it is the part of us that needs to be cared for, sanctified and come in line with Jesus. Our soul can get messy and we need Jesus and the work of the Spirit of God to come and make us new...we need to care for our souls.

Soul Care is important in each of our lives to help us to grow in intimacy with God, and also in the inner health of our souls. God's desire for us is to live spiritually healthy and whole lives. We are often limited by our past wounds, our current behaviours, and our faulty thinking. The conference will teach Biblical principles for healing the soul, and overcoming broken and sinful areas of life. Statistics show that the church today is not succeeding in helping believers experience transformation. During most sessions a ministry time will be provided for participants to process their own journey, experience healing and lead others through healing.

ABOUT SOUL CARE...

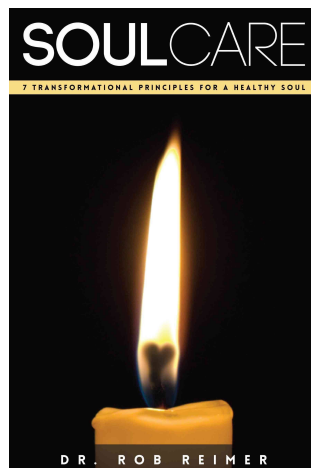

"Brokenness grasps for the soul of humanity. We are broken body, soul, and spirit, and we need the healing touch of Jesus."

Soul Care explores seven principles that are profound healing tools of God: securing your identity, repentance, breaking family sin patterns, forgiving others, healing wounds, overcoming fears, and deliverance.

Dr. Rob Reimer challenges readers to engage in an interactive, roll-up-your-sleeves and get messy process -- a journey of self-reflection, Holy Spirit inspiration, deep wrestling, and surrender. It is a process of discovering yourself in true community and discovering God as He pierces through the layers of your heart.

Life change is hard. But these principles, when packaged together and lived out, can lead to lasting transformation, freedom, and a healthy soul. Soul Care encourages you to gather a small group of comrades in arms, read and process together, open your souls to one another, access the presence and power of God together, and journey together into the freedom and fullness of Christ."

At this Conference we will address elements of all 7 *Principles*, but will be focusing on: Identity, Repentance, Overcoming Family Sin Patterns, Forgiveness, Deliverance and also the Filling of the Holy Spirit.
