Psalm 124 – On Our Side

1. What insight, principle or observation from this week's message did you find to be most helpful, eye opening or troubling? Please explain.

2. Read Psalm 124:1-5. The Psalmist talks about what "would have been" if the Lord had not been on our side. How has God kept you from trouble?

3. Where would you be, or where would your life be without Him (relationally, financially, morally)?

4. Read Psalm 124:6-7. The Psalmist talks about how God helped him, not from the trouble, but through it. How has God saved you like a bird in the snare when you were in the middle of the deepest trouble?

5. Read Isaiah 43:1-3. How does this passage encourage you as you face future difficulty and your need for help?

6. Read Psalm 124:8. In what area of your life are you needing to turn to God as your help right now, understanding that He is greater since He is the Maker of heaven and earth?

7. Pray together.
