

## Online Gathering - "Passing over to Freedom"

**Welcome!** Thanks for joining us for another online gathering! We're glad you're here. During the service we are taking part in communion. We invite you to join us by gathering some bread and juice and having it ready. God bless you!

**Worship:** We encourage you to participate in the worship that is in our service! If you want more, you can find multiple songs on our Youtube channel *Gateway City Church Kamloops*.

**Message:** At 10:00am we go live on our website and Youtube channel. Pastor Matt is bringing us a message titled "Passing over to Freedom" This is a continuation of the Jesus in the Old Testament series. We're diving into the Passover, what it looked like and what it means for us today. If you ever miss a service you can find them on the 'Messages' tab of the website.

**Kid's City:** Check out the awesome lessons and activities on the 'Kid's City' tab Gateway's website. You can find video lessons for all ages, colouring pages and worship on this page!

**Before or After the Message:** Below is a passage of scripture you can read before or after today's message and some questions to help you process it.

**Read: Exodus 5:1-5**

**Q1: Pharaoh didn't see anything special about the God of Israel. In what ways is the God of the Bible or God seen through Jesus different from the other belief systems or religions of our world today?**

**Read: Exodus 5:6-6:9**

**Q2: Israel could not believe because of their current situation and what they had experienced. Is there anything in your current situation that is standing in the way of you having faith?**

**Read: Exodus 12, Matthew 26:26-29**

**Q3: In what ways is Jesus last supper similar and different to the Passover that Israel experienced in the exodus?**

**Prayer Online:** Come join us for early morning prayer on Wednesdays at 7:00am. Please contact the church office for a Zoom link to participate. Or send us your prayer requests. We would love to pray for you.
