**IDENTITY OF THE THEME OF THE BIBLE**

The theme of the bible is: God **establishing a kingdom** physically and spiritually **consecrated** to him

Our concern is two kingdoms; Heaven and God

**The Kingdom of Heaven:** physical, literal, tangible, entered by physical birth

**The kingdom of God: spiritual,** entered into by spiritual birth

Both are represented by \_\_\_\_\_ and \_\_\_\_\_ which represented God's \_\_\_\_\_

Lucifer the anointed cherub was the first to receive that delegated authority

**TRACING THE KINGDOMS THROUGH THE BIBLE**

1. Adam—Kingdom of heaven and God

Gen 1:26—28 God gave the kingdoms to man

Ps 8:5—6 made to have dominion

Adam lost the kingdom of God because he died \_\_\_\_\_ so the crown returned to God

Adam lost the kingdom of heaven because he \_\_\_\_\_ it to Satan

Kingdom of God not seen again on earth till Mark 1:14

Satan attempts to replenish the earth with his followers using the fallen sons of God in Gen 6:1—6

God judged and destroyed Satan's efforts with a flood

2. Noah—Kingdom of Heaven  
Gen 9:1

Satan attacks Noah's seed resulting in Nimrod and Babel

God judged and destroyed Satan's efforts by confounding the languages - Genesis 11

3. Abram—Kingdom of Heaven

Born two years after Noah died God called him out of his land Gen 12:1; Heb 11:8—10

Satan's attempts to steal the crown unsuccessful because of a special \_\_\_\_\_ made to him by God

This promise called the \_\_\_\_\_ Covenant

Satan attacks through an improper birth

God prevented the theft through prophetic planning Gen 21:12

4. Isaac—Kingdom of Heaven

Satan attempts to steal the crown through an improper blessing

God prevented the theft through prophetic planning again

Gen 25:23

5. Kingdom passes to a nation through blessing

Jacob while in Egypt blesses Judah

Gen 49:10

5. Joshua—Kingdom of Heaven

6. Saul—Kingdom of heaven

7. David—kingdom of heaven
