St. Paul's Anglican Church is reaching out to the business community to request donations for a silent auction to benefit primary, secondary, and post-secondary students living in Southwestern Rwanda.

St. Paul's has had a long-term relationship with the Cyanguu Diocese of the Anglican Church of Rwanda located there. Expenses such as school uniforms may represent 3-4 days of a family's income, meaning that some children never have the opportunity to attend school. Only about 19% of students complete primary school, 3% complete secondary and 1% post-secondary. Many promising, hardworking students are forced to leave school early due to poverty. And this means the cycle of poverty continues...

We are planning a silent auction and craft sale to be held at **St. Paul's Anglican Church** on **November 17, 2018** between **2:00pm - 4:30pm**.

We are soliciting **donations to help raise money, all of which will go directly to support education of young people in this area**. St. Paul's is providing the venue, refreshments and volunteer support required to run this event.

Charitable receipts will be provided upon request for monetary or in-kind donations valued over \$100.

Thank you for your support.
