Matthew 7:13-29

WALK the Way of JESUS

A hiker wearing a red shirt, a backpack, and a hat is walking away from the camera on a stone-paved path. The path leads through a landscape of rolling hills. To the left of the path is a large, terraced vineyard with rows of green grapevines. To the right is a field of tall, dry, yellow grass. In the background, there are more hills under a clear blue sky. The overall scene is bright and sunny.

“Most of the actual values that make up any larger goal are communicated ... in the routine smaller moments of ordinary daily living... more than in the grand designs and statements about those goals.... What we actually do in the day-to-day journey is the best clue to the destination that lies ahead.”
