### Children's Ministry

Praise Factory P.M. meets on Sunday night 5:00-6:30, ages 3 through 5th grade.

### Hey Parents of Little Ones!

Our nursery uses light up pagers. The nursery worker will give you a small pager to hold onto after you leave your little one in the nursery. If your pager lights up, then you will know that you are needed. These work great, so rest easy!

## IT IS THE SOLDIER

It is the Soldier, not the minister  
 Who has given us freedom of religion.  
 It is the Soldier, not the reporter  
 Who has given us freedom of the press.  
 It is the Soldier, not the poet  
 Who has given us freedom of speech.  
 It is the Soldier, not the campus organizer  
 Who has given us freedom to protest.  
 It is the Soldier, not the lawyer  
 Who has given us the right to a fair trial.  
 It is the Soldier, not the politician  
 Who has given us the right to vote.  
 It is the Soldier who salutes the flag,  
 Who serves beneath the flag,  
 And whose coffin is draped by the flag,  
 Who allows the protester to burn the flag.

—Charles M. Province

## The Heart to Honduras mission is to:

**Pursue collaboration.** We believe in the potential of people working together to change the world. We work at cultivating relationships and collaborative partnerships that will join us in developing healthy, thriving Honduran communities.

**We work and serve holistically.** We strive to improve the health and vitality of the whole person: body, mind, and spirit. Through specific transformative initiatives such as clean water, access to healthcare, dignified housing, sufficient infrastructure, micro-business opportunities, quality education, vibrant churches, visionary leadership, healthy family and community relationships our goal is to establish thriving communities.

**We understand poverty differently.** We understand poverty to be fundamentally about broken relationships, not a relative lack of material resources. We seek to transform relationships in four key areas: with God, with self, with others, and with the Creation. We desire that both Honduran and Stateside partners overcome the poverty inherent in their lives.

**We create capacity in others.** We instill confidence in the Honduran people so they are equipped to address the challenges they face. We empower them to be the heroes of their own story rather than perpetuate an unhealthy dependency on others to rescue them.

**We love with abandon and inclusion.** Believing Jesus Christ to be the embodiment of God's transforming love we approach every person, every community, every challenge, every struggle as he would, with an unconditioned love. We welcome everyone as children of God, each with our unique gifts and differences.

Office (US): 1180 Wesley Avenue Xenia, OH 45385

Heart to Honduras collaborates with churches, small businesses, other non-profits and colleges and universities. We are a Christ-centered ministry, working non-denominationally.

Many partners enter into a focused relationship with one particular Honduran community. The primary interface is the local church.

Honduran pastors and their leaders work closely with village leadership councils in order to dream and plan together for the healthy development of the whole community. Partners pursue the opportunity to build meaningful, enduring relationships with the Honduran people, and to walk in solidarity, as they become the heroes of their own stories.

*To Our Beulah Family.....*

*Our heartfelt Thank You for the wonderful dinner that was brought to us after the passing of my father. Thank you for the visits and for the beautiful cards. We thank you for remembering us in prayer during this tiring and difficult time. How happy my dad must be now in the arms of our mighty God.*

*Love, Tony and Cindie Whitley and the Williams Family*

Our Beulah Women's Ministry provides many needed items for the church as well as reaches out to help the community around us. The ladies are hosting a fund raiser and are hoping that many will be willing to help.

Rada knives are well known for their quality. Rada is an American company and the prices of their products are very reasonable. If you would like to place an order, please see one of the ladies or look at a catalog at the welcome center. With the holidays approaching, this is a great Christmas gift idea!
