ST MICHAEL  **ALL ANGELS**
anglican church - prince george

Raise the Roof

Campaign

**Our 55-year-old roof is
in urgent need of
replacement**

www.stmichaelspg.ca

What's wrong?

The distinctive A-frame roof of St. Michael and All Angels church has been deteriorating and dripping rain and meltwater into our church.

Minor repairs and careful monitoring have worked for a number of years, but there can be no further delay without risking permanent damage to the building.

Other parts of the building are failing as well:

- ❖ Hall roof is missing large patches of shingles and is at the end of its life
- ❖ Exposed beam ends, building trim and siding are decaying
- ❖ Paint and stucco need redoing
- ❖ 25-yr old heating system is aging and inefficient

Total cost for repairs is estimated at \$400,000 with \$260,000 just for the roofs.

Tubs to catch drips inside the Church

Why should you care?

SMAA enriches Prince George through its many roles in the community:

- ❖ A place of Christian worship open to all
- ❖ A place to celebrate new life, new marriages and remember loved ones
- ❖ A place for church outreach
 - Centre for Peace and Reconciliation
 - Prince George Street Mission Sunday dinner and service
 - weekday lunch bag program
- ❖ A home for non-profit secular groups
 - 6 addiction support/recovery groups
 - Good Food Box program for seniors
 - Lake Babine Nation and other occasional users
- ❖ A place for the arts
 - rehearsal hall for PG Cantata Singers
 - excellent acoustics for choral and instrumental concerts

All of this depends on a sound and comfortable building.

What is St. Michael + All Angels doing?

We need to raise \$400,000.

We've already been savings for a few years: a capital fund of \$53,000 is dedicated to the roof. In combination with several large pledges we are nearing the \$100,000 mark.

We have 5 grant applications in the works or submitted. Some of these are a long shot, but we have our finger crossed. We will announce any successes once we are notified.

The church is making plans to prepare tendering documents, solicit bids and be ready to start the repairs in spring of 2020.

How can you help?

We need parishioners – active and lapsed, building users, the arts community, and anyone who has an interest in the church and its programs to make a contribution.

This is a contribution that you will see and be proud of every time you pass by this church.

\$200 pays for 10 sq ft or 1 m² of new roof

\$1000 pays for 50 sq ft or 5 m² of new roof

\$10,000 pays for preparation and painting of one side of the building

Donations qualify for a tax receipt.

Please complete the Pledge Form on the back and drop it off at the church (1505 5th Ave). We will be in touch.
