

Details of Volunteer *Fundraising* Hours:

Your commitment may be completed in either term.

Please ensure that your volunteer hours are recorded using the ON VOLUNTEERS system implemented in 2018. Your current email should have been sent to **participation.sfds@gmail.com** so that a profile could be created.

Your **\$400** Fundraising cheque will be cashed in June if you have not worked at a fundraiser.

When logging your hours - which you must do as soon as they are completed, rather than leaving all the inputting until May - be sure to indicate if the work you did was for a *fundraising* event.

You will be notified if your cheque will be cashed.

*Hours may be prorated at the discretion of the PEC.
