*Your participation as a volunteer assists greatly to support our school, helps us with our budget, and creates an opportunity for you to feel like part of the SFDS community!*

Please ensure that your volunteer hours are completed and recorded using the ON VOLUNTEERS system implemented in 2018. Your current email should have been sent to **participation.sfds@gmail.com** so that a profile could be created.

A total of **50** participation hours are required for each family for the school year. Failure to complete these will result in forfeiting the post-dated cheques submitted with your registration package in January. (There are some exceptions to this policy in special circumstances and they shall be decided on an individual basis at the principal's discretion in consultation with the PEC.)
