

Daily Health Checks for Students at St. Francis de Sales School

Parents: When you accompany your child to the school, you will be required to provide a form which addresses questions each day prior to being admitted to the school. If the answer to any of the questions is ‘yes’, and the symptoms are not related to a pre-existing condition (eg. allergies) **your child will not be allowed** to attend school. If they are experiencing any symptoms of illness, contact a health-care provider for further assessment. This includes 8-1-1 or a primary care provider like a doctor or nurse practitioner.

Instructions:

Staff will collect this health check daily at drop-off.
