Judah (Jones) Ellyson was born on July 24 at 3:56am to Harrison and Jackie Ellyson. He weighed 10 lbs., 1 oz and measured 22.5 inches long.

Bella Martinelli was baptized Tuesday night, August 4! A few of Bella's close relationships all gathered around the Mackintosh's pool in masks to celebrate her being born again. She became friends with Chloe Arnett and the Arnett family in the 7th grade, and God has been molding and drawing Bella to His heart ever since! She has been studying the Scriptures virtually over the past few months in quarantine and has become such an essential part of the Arnett family. She could not wait to be reconciled with God and be added to His Kingdom.

"The harvest is plentiful, but the workers are few." Jesus and the apostles remind us that God is seeking a harvest. He is searching to restore us to a righteous relationship with Him and there a people who will respond. Meet your new sister, **Tania Pierre-Sampson**, a woman of deep faith who has responded to God's call and was baptized on July 5, 2020. Tania is the wife of Dwane and mom/step-mom of five wonderful children (Deondre, Kelis, Ezra'me, Jadonis and Malachi). Tania did not allow trial, pandemic, or any other very real distraction to deter her in her quest to know God. Tania's cousins Claire Anderson and Sheyla Desir are disciples and members of North River and Cornerstone, respectively, and studied the Bible years ago at ACOC Gwinnett. At family gatherings, Tania would frequently

defend the gospel with other family members well before this last round of Bible studies with Claire, Kerling Eldred, and Lorre Nelson. Her husband Dwane is currently studying, as well, although he's returning to the UK for a short time. Please pray for the entire family and get to know your new sister!

All-Church Midweek This Wednesday, August 12

Please join us this Wednesday, August 12 at 7:30pm via Livestream for our All-Church Midweek service! We will begin with our service on Livestream and then break into Community/Family Groups for a small group discussion.

SALT (Senior Adults Living Triumphantly) - A New North River Ministry

Are you or do you know a disciple, who like Caleb, is "...just as vigorous to go out to battle now..." (Joshua 14:11), as in earlier days? With much prayer and counsel, along with the Lynns and Carmans, the North River Leadership team is excited to begin a new ministry, SALT – Senior Adults Living Triumphantly. Our hope is that this new ministry for these faithful disciples will rekindle dreams for our future (Joel 2:28), bear the

fruit of God's Spirit (Psalm 92:12-15), and share lessons learned with the younger generation. This will be achieved through confinement period programs and activities and through future activities, such as daytime midweeks, service opportunities, and the mentoring of younger disciples. If you are interested in this new senior ministry or want more details, contact Karl & Donna Lynn and/or Harold & Suzanne Carman at northriversalt@gmail.com and please pray for us as we strive to love God, love people, and change the world.

Let Us Pray...

Urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people - for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. This is good, and pleases God our Savior, who wants all people to be saved. — 1 Timothy 2:1-4a

Prayer Requests

"Pray in the spirit at all times and on every occasion. Stay alert and be persistent in your prayers for all believers everywhere." - Ephesians 6:18

For specific prayers requests during this time of "social distancing and racial injustice," please email PRAYERS@NRCOC.COM.

- Please pray for our brother Eric Damm and his family. Eric's mother passed away due to COVID-19 on Thursday morning. Mrs. Tod was a member of our sister fellowship The Path.
- Please put Mamie Mills in your prayers. She has not been well since about the beginning of July and has been having some tests. She did test negative for COVID-19, but is going to be having a CT scan.
- Please pray for Sammie and Jeffrey Lane. Jeffrey will have blood tests on Monday; pray that his PSA levels will remain low. Sammie has surgery next Friday; pray that it goes well and her recovery is quick and pain is minimal.
- Patti Ryan (mother of Max Ryan) tested positive for COVID-19 with flu-like symptoms. Her three-year-old grandson, Lucas, has also tested positive. Please pray for their family and that her husband, Steve, has a negative test.

The Kingdom of God

August 2: Inauguration

August 9: Identity

August 16: Allegiance

August 23: Citizenship

August 30: Ambassadors

This month we are excited to be exploring this biblical teaching. What is the Kingdom of God? Is the Kingdom of God the same as the church? How does one enter the Kingdom, and what does it mean to live as members of it? In a world so divided along earthly kingdom lines and barriers, we need the good news of God's Kingdom now more than ever!

'Season of Giving' Extended

Hey, North River! If you were worried you might have missed your chance to give to our Generosity Sunday Contribution — it's not too late! Our "Season of Giving" has been extended **to the end of August**. We are so close to reaching our goal of \$350,000 to contribute to our ministries, especially those in Africa that have been severely impacted economically due to COVID-19.

You can give any time, designating your offering for the Generosity Sunday ["Season of Giving" online](#), or send a check by mail to 320 Austin Ave. N.E., Marietta, GA 30060.

Thank you so much! Your generosity is going to help so many.

Register for AIM Classes: Spiritual Life (July 26, 2020 - September 30, 2020)

The Bible places far more emphasis on who we are inside than how we behave or appear to others. We have all seen too many comrades-in-arms fall, not rebounding but remaining fallen due to a weak walk with the Lord, while others continue to go forward to do great things despite formidable obstacles. The course covers character, sexual issues, financial responsibility (guest speaker), and so much more. The secret of Jesus' disciple: the inner spiritual life.

[Click here to register now.](#)

The class is now open through September 30.

POSTPONED: 2020 Vision Conference in Orlando

[For all the latest updates go to the website HERE.](#)

It is with mixed emotions that we will be unable to host the VISION Conference in Orlando this summer. However, it has become apparent that the impact of COVID-19 has overshadowed the possibility to actualize this worldwide event this year as planned. We, like many of you, were certainly looking forward to a time of fellowship and celebration, and so this is a disappointment for sure.

So in order to find available dates, we have decided to stagger the conference. Instead of hosting more than 20,000 disciples over the same four days, we'll see two (2) distinct waves of attendees that will put less

demand on the hotels, nearby restaurants, public flow within our venues, and an overall reduction of our mass gatherings at any one time:

North River's Vision Statement

We are a diverse family of believers who answered the call to be disciples of Jesus Christ. We are being transformed by God's Word, His Grace, and the Holy Spirit. Through small groups and deep relationships with one another, we join in Jesus' ministry and mission to make and mature disciples while we care for the needs of people. We do this to save as many as possible for the glory of God.

Fix Your Eyes On Jesus

This year's theme at North River is "Fix Your Eyes on Jesus" from Hebrews 12:2. This is especially important for us to do in uncertain times. We started the year studying the entire book of Hebrews, and going forward, we will continue to focus on Jesus more and more. For ways to get more insight, check out the North River [Sermons](#) or [Women's Page](#) for more resources.

Coronavirus Risk Guidelines

Our own Dr. Kevin Broyles came up with [the following chart linked here and on the last page](#) that can help you assess the risk of a social gathering. He based it on the best practices and recommendations of organizations like the CDC, WHO, Johns Hopkins University, and Georgia Department of Public Health, but the chart is not reviewed or endorsed by any of those organizations. The chart is NOT medical advice or a substitute for doing your own research, but it is additional information.

To use it to assess the relative risk of an outdoor or indoor activity, first look at the Outdoors column (if the event you are considering attending will be outdoors) or the Indoors column (if the event is indoors). Find the rows in the Number of People column that accurately describe the number of people at the event. Then ask whether or not everyone is wearing masks (YES in the Mask column) and whether or not everyone is social distancing (YES in the Social Distancing column). The level of risk varies depending on each of these factors.

Helpful Guide for Potential Coronavirus Risk

by Kevin Broyles - 25 May 2020

The levels of risk are based upon current national and local data and medical opinion.

The data and guidelines are not black and white; we are in a gray zone.

* Number of People CDC recommendations: Indoors group of 5 or less people, Outdoors group of 10 or less people

* Mask Remember: Masks are helpful to keep you from spreading coronavirus to others, they do not keep you from getting an infection.

* Distancing CDC distancing recommendations based on activity:
 Normal activity (conversation, walking) - 6 feet apart
 Vigorous activity (like exercise, sports, singing, forceful speaking) 12 feet apart
 Time of exposure: longer times (>15 minutes) are more risk than short times
 Do not expose others or be exposed to anyone with symptoms: cough, fever, flu or cold-like symptoms, or recent exposure to a COVID-19 positive individual
 Smaller spaces have higher risks (bathrooms, elevators)

Hygiene Wash your hands frequently (5x/day - reduces risk by 35%)
 Clean exposed surfaces
 Do not touch your face, eyes, mouth

Current Thoughts **Transmission** Up to 40% of people can be contagious before they have symptoms
 Transmission 35% of people infected will never have symptoms
 Social distancing Without social distancing it was estimated that the USA would have had 35 times the number of deaths
 Children 150 cases of pediatric multi-system inflammatory syndrome after have COVID-19 infection
 Contact Tracing Georgia Public Health Department will begin tracing contacts in the near future
 Vaccine Some optimism from one company about an effective vaccine - would be available January 2021 at the earliest
 Treatment Some positive results from remdesivir combined with other medications in hospitalized patients
 Treatment No scientific evidence that hydroxychloroquine or chloroquine is helpful to prevent or treat, some evidence it is harmful.
 Antibody Test A qualitative test. It is either positive or negative (doesn't measure level of antibody)
 Antibody Test Becomes positive after 7-14 days of exposure or symptoms. If tested too early - may get a false negative.
 Antibody Test Positive test doesn't mean immunity.
