Introducing **Matthew David Layne** born Oct 8 at 5 pounds and **Rhiannon River Layne** at 6 pounds who are the first twins of the family and the first grandbabies of Jeffrey and Sammie Layne.

Ms. Doris Fearncombe is a 97 year old woman who has loved God and His Word for decades. During one of many conversations, Ms. Doris shared that she wanted to be baptized, but wondered if it could ever be possible because of her age. She was asking the same question that Nicodemus asked of Jesus, "How can a man be born when he is old?...How can this be?" As she was studying the Scriptures, and at just the right time, God sent everyone and everything she needed (including warm water) so that she could be baptized into Christ on October 9 in her retirement home!

Ms. Doris has a spirit like Caleb, who declared in his old age that God "has kept me alive" for all of these years, and "I am still as strong today" and "just as vigorous" to serve the Lord!

YES! Program's Winter Family Meal Sharing

North River, it's time to gear up for Winter Family Meal Sharing with the YES! Program! Of course, 2020 is the year that needs no introduction so as you can imagine it's been a rough year for food-insecure families. Kids who are usually at school receiving two meals have been home full-time. Per our tradition, we're teaming up with the Marietta City Schools social workers to get food into the pantries of families in our community. Those who join will work with their team to shop for their assigned family and make a contact-free delivery on Saturday, December 12th between 10 am-2 pm. Please consider signing up today so we can serve as many families as possible. [Click here to register.](#)

If this isn't your year to contribute physically or monetarily, please remember we always need your prayer coverage. Pray that we can serve 50 families this holiday season.

Matthew Sawyer got baptized on Saturday, October 3rd! He is a 3rd-year student studying marketing at Georgia State. Matthew is a zealous young man for God. Over the last 7 months of him studying the scriptures over zoom with the brothers, he has consistently turned around and shared the gospel with his friends. We are inspired by his young faith and so grateful to have him as a new brother in the family of Christ!

The Kennesaw State Ministry rejoiced on Sunday, October 18 for **Brayden Heacock's** baptism! Brayden was baptized after an on-campus outdoor service following our "local" retreat weekend. Brayden is a freshman at KSU and lives in the freshman dorms. We are so excited to have Brayden as an irreplaceable part of our ministry and to see him bring all the gifts he has to offer!

What started off as a college friendship blossomed into Happily Ever After. **Antonio Green & Tracey Willis** said "I Do" on Saturday, October 17, 2020. The Greens were very excited to celebrate with a small group of friends and family in person while also live-streaming their ceremony to others. They have been a part of North River's THRIVE Ministry and are excited for what God has in store for their marriage.

Let Us Pray...

I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people - for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. This is good, and pleases God our Savior, who wants all people to be saved. — 1 Timothy 2:1-4a

New Sunday Series Reading: The Treasure Principle

"Do not store up for yourselves treasures on earth, where moths and vermin destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moths and vermin do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also." Matthew 6:19-21

As we've announced, we'll be starting a new series this Sunday entitled the "Joy of Giving." We're

encouraging all of you to purchase the short book, *The Treasure Principle* by Randy Alcorn, as many of the messages will be based on some of the biblical principles shared throughout its pages. From Chapter One:

Why did Jesus put such an emphasis on money and possessions? Because there's a fundamental connection between our spiritual lives and how we think about and handle money. We may try to divorce our faith from our finances, but God sees them as inseparable.

We hope this series will inspire us to engage the Scriptures and evaluate our giving in light of God's word and realize everything we have - our treasure, time, and talents - are really all God's! We pray to be good stewards of what he has so generously given to us!

POSTPONED: 2020 Vision Conference in Orlando

[For all the latest updates go to the website HERE.](#)

It is with mixed emotions that we will be unable to host the VISION Conference in Orlando this summer. However, it has become apparent that the impact of COVID-19 has overshadowed the possibility to actualize this worldwide event this year as planned. We, like many of you, were certainly looking forward to a time of fellowship and celebration, and so this is a disappointment for sure.

So in order to find available dates, we have decided to stagger the conference.

Instead of hosting more than 20,000 disciples over the same four days, we'll see two (2) distinct waves of attendees that will put less demand on the hotels, nearby restaurants, public flow within our venues, and an overall reduction of our mass gatherings at any one time:

NEW DATES FOR THE 2022 WORLD DISCIPLESHIP SUMMIT:

- | | |
|----------------|--|
| JULY 28-31 | ICMC: (Campus) and ISC (Singles) |
| JULY 31-AUG. 3 | ILC: (International Leadership Conference) |
| AUG. 4-7 | FAMILY: (Parents, Single Parents, Kids, Middle & High Schoolers) |
| | FOREVER FAITHFUL: (Empty Nesters, Marrieds w/o Kids, Retirees) |
| | SPANISH Conference |

North River's Vision Statement

We are a diverse family of believers who answered the call to be disciples of Jesus Christ. We are being transformed by God's Word, His Grace, and the Holy Spirit. Through small groups and deep relationships with one another, we join in Jesus' ministry and mission to make and mature disciples while we care for the needs of people. We do this to save as many as possible for the glory of God.

Fix Your Eyes On Jesus

This year's theme at North River is "Fix Your Eyes on Jesus" from Hebrews 12:2. This is especially important for us to do in uncertain times. We started the year studying the entire book of Hebrews, and going forward, we will continue to focus on Jesus more and more. For ways to get more insight, check out the North River [Sermons](#) or [Women's Page](#) for more resources.

Coronavirus Risk Guidelines

Our own Dr. Kevin Broyles came up with [the following chart linked here and on the last page](#) that can help you assess the risk of a social gathering. He based it on the best practices and recommendations of organizations like the CDC, WHO, Johns Hopkins University, and Georgia Department of Public Health, but the chart is not reviewed or endorsed by any of those organizations. The chart is NOT medical advice or a substitute for doing your own research, but it is additional information.

To use it to assess the relative risk of an outdoor or indoor activity, first look at the Outdoors column (if the event you are considering attending will be outdoors) or the Indoors column (if the event is indoors). Find the rows in the Number of People column that accurately describe the number of people at the event. Then ask whether or not everyone is wearing masks (YES in the Mask column) and whether or not everyone is social distancing (YES in the Social Distancing column). The level of risk varies depending on each of these factors.

Join the Crew!

"And God said, 'Let there be light,' and there was light." Genesis 1:3

While God simply yet powerfully spoke it into existence on such a massive scale, North River relies on our talented lighting crew every week to illuminate the sanctuary for our weekly services, helping to set the tone for worship, for which we are exceedingly grateful. Without this crew, our worship team would be heard but unseen. There are currently open positions on the crew, and if you would like to serve in this fashion, we'd love and appreciate your help!

Training is available if you feel motivated but inexperienced. This is a unique opportunity to serve the congregation in a very special way! Please contact Andy Pilcher (andypilcher@nrcoc.com) or Sherwin Mackintosh (sherwinmackintosh@nrcoc.com) for further details.

We have a Podcast!

We will be posting audio content each week with our Sunday sermons going live every Monday morning. In the show notes for the sermons, you'll find study/discussion questions for you and/or your small group! We've also started a devotional program called "Manna in a Minute," with short 1-2 minute devotionals going out multiple times a week. These are designed to help us focus our hearts and minds as we go about our busy week. In addition to this, we are designing additional programming to incorporate into our podcast platform in the coming weeks and months. You can find "North River Podcast" wherever you get your podcasts. Please subscribe and check back regularly!

SUBSCRIBE: NR New Weekly E-Newsletter

While we will continue to update this newsletter and put all baptisms, births, and weddings in the first issue of the month, we want to make sure you get our weekly e-newsletter. These will come from NorthRiverUpdates@NRCOC.com. Helpful Guide for Potential Coronavirus Risk

by Kevin Broyles - 25 May 2020

The levels of risk are based upon current national and local data and medical opinion.

The data and guidelines are not black and white; we are in a gray zone.

In Person	11 or more	YES		NO	NO	5

* Potential Level of Risk 0 - no risk 1 - very low risk 2 - low risk 3 - moderate risk 4 - high risk 5+ - very high risk

Potential Risk Calculator	Virtual	0 Point
	Not virtual - face to face	Add 1 Point
Indoors > 5 people or Outdoors > 10 people		Add 1 Point
	Not wearing masks	Add 1 Point
	Not social distanced	Add 1 Point
Older, Immune Compromised, Chronic Diseases		Add 1 Point

* Number of People CDC recommendations: Indoors group of 5 or less people, Outdoors group of 10 or less people

* Mask Remember: Masks are helpful to keep you from spreading coronavirus to others, they do not keep you from getting an infection.

* Distancing CDC distancing recommendations based on activity:
 Normal activity (conversation, walking) - 6 feet apart
 Vigorous activity (like exercise, sports, singing, forceful speaking) 12 feet apart
 Time of exposure: longer times (>15 minutes) are more risk than short times
 Do not expose others or be exposed to anyone with symptoms: cough, fever, flu or cold-like symptoms, or recent exposure to a COVID-19 positive individual
 Smaller spaces have higher risks (bathrooms, elevators)

Hygiene Wash your hands frequently (5x/day - reduces risk by 35%)
 Clean exposed surfaces
 Do not touch your face, eyes, mouth

Current Thoughts **Transmission** Up to 40% of people can be contagious before they have symptoms
 Transmission 35% of people infected will never have symptoms
 Social distancing Without social distancing it was estimated that the USA would have had 35 times the number of deaths
 Children 150 cases of pediatric multi-system inflammatory syndrome after have COVID-19 infection
 Contact Tracing Georgia Public Health Department will begin tracing contacts in the near future
 Vaccine Some optimism from one company about an effective vaccine - would be available January 2021 at the earliest
 Treatment Some positive results from remdesivir combined with other medications in hospitalized patients
 Treatment No scientific evidence that hydroxychloroquine or chloroquine is helpful to prevent or treat, some evidence it is harmful.
 Antibody Test A qualitative test. It is either positive or negative (doesn't measure level of antibody)
 Antibody Test Becomes positive after 7-14 days of exposure or symptoms. If tested too early - may get a false negative.
 Antibody Test Positive test doesn't mean immunity.
