

# THE NEW SEED

Proclaiming The Gospel | Making Disciples | Trusting Jesus

## The Gospel

The Gospel means “Good News” and this is what we are armed with. As we work towards planting a church in Saskatoon, we want the Gospel of Jesus Christ to be known.

## Making Disciples

Matthew 28:19-20 says, “Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age.”

## Trusting Jesus

We know that we cannot plant a church in Saskatoon on our own. We are trusting Jesus for everything. 1 Corinthians 1:30-31 says, “And because of him you are in Christ Jesus, who became to us wisdom from God, righteousness and sanctification and redemption, so that, as it is written, ‘Let the one who boasts, boast in the Lord.’”

## What's New

I apologize for not having a newsletter for the last couple of months—life has gotten a little crazy. As you can see there is a new photo above. This is the reason why life has become crazy in the last little while. Larisa and I have finally moved into Hampton Village. This is our new house and the place where Bridge City Bible Church will be meeting for the next while. We are excited to finally get to live life beside the people that we are ministering to.

We have been asking for prayer this last year specifically to sell our house in Dalmeny and find the right place here in Hampton Village, and we are so thankful for all of you. What's funny about this whole process is that when Larisa and I found our house, we couldn't believe the price and that it was still available. Throughout the whole process we kept asking, “what is wrong with this house?” When our offer was accepted we both were trying to figure out why the house hadn't sold before and we were certain that something was seriously wrong with it. It wasn't until

## How You Can Pray For Us

---

The first thing that you can pray for is for protection for our marriage. Please pray that Larisa and I can continue to look to Jesus for our strength and continue to grow in our relationship with each other.

Second, praise that we have found the house that will be the base of Bridge City Bible Church in Hampton Village.

Third, please pray that the Spirit will go ahead of us and open the hearts of the people to whom we will be ministering.

Fourth, please pray for future core group members. We want people that will come on board, who want to see the Gospel go out to unreached people in Saskatoon.

Fifth, pray that we can continue to grow as a team and be open to those who will be joining us.

I start talking about our story with our realtor that I realized how our prayers had been answered! So thank you for remembering us in your prayers.

Something else that is exciting is that Larisa has started working in Saskatoon. It is exciting to see her finally get to reach the goal that she has been working so hard to achieve.

### *Core Team Growth*

In the last couple of months we have been able to meet with some new people and are continuing to search for people to join our team. We have put together a promo video to show at churches in Saskatoon to get word out about what we are doing. We are still waiting to hear back from a few people about whether they will join us. This month I want to ask that you can pray that we will have four new people join us.

One of the most encouraging moments in the last little while has been the excitement in the core team about finding new people. The group has caught the vision and understands why we exist.

One of the ways that you can help us is to give my information to anyone you know who lives in the Hampton Village or the surrounding area who has a heart for the lost:

### *The Last Two Months*

We finished our Bible Studies on Sundays in the middle of June. In the new year (September) we will be starting to meet in homes and will be changing the format in how we meet. We have continued to meet on Sunday mornings as a team and continue to work through the book of Acts.

### *Plans for August*

The summer months are always hard for people to do organized things. Our plans are very informal and will revolve around ways of getting to know our neighbours and eating together.

The community association breaks for the summer months, but we will be involved with activities around the the community in the fall.
