

I THINK MIDLIFE IS WHEN THE UNIVERSE
GENTLY PLACES HER HANDS UPON YOUR
SHOULDERS, PULLS YOU CLOSE, AND
WHISPERS IN YOUR EAR:

“I’m not screwing around. It’s time. All of
this pretending and performing — these
coping mechanisms that you’ve developed
to protect yourself from feeling inadequate
and getting hurt — has to go.

Time is growing short. There are unexplored
adventures ahead of you. You can’t live the
rest of your life worried about what other
people think. You were born worthy of love
and belonging. Courage and daring are
coursing through you. You were made to
live and love with your whole heart. It’s time
to show up and be seen.”
