

## MARK—THE ROADRUNNER GOSPEL

### #13- *THE ETERNAL SIN*

#### Mark 3:20-30

- I. THE \_\_\_\_\_ OF FAMILY (vs.20-21)
- “*He is out of His mind*” refers to someone who is ecstatic in the sense of \_\_\_\_\_ derangement.
- II. THE \_\_\_\_\_ OF SCRIBES (v. 22)
- The team of critics from Jerusalem reaches a unanimous verdict: Jesus Christ is demon- possessed and \_\_\_\_\_-powered.
  - It became very popular indeed to reject the Redeemer, especially when it became obvious that He would not support a \_\_\_\_\_ *coup d’état* of Roman rule.
- III. THE \_\_\_\_\_ OF CHRIST (vs. 23-27)
- Let us not forget that Satan is after our \_\_\_\_\_ and our families.
  - There are only two \_\_\_\_\_ in the Universe— *Divine* and *Devilish*.
- IV. THE \_\_\_\_\_ OF GOD (vs.28-30)
- The “blasphemy of the Holy Spirit” means to “*attribute to the \_\_\_\_\_ of Satan the redemption brought by Jesus.*”
  - To *deny* saving power is to be \_\_\_\_\_ of it!

#### CONCLUSION

- The Bible indicates here and in other places that a person can \_\_\_\_\_ a line and place themselves beyond all hope of salvation.
