Pastor John

Intercessory prayer is the act of praying on behalf of others.

The role of mediator in prayer was prevalent in the Old Testament, in the cases of Abraham, Moses, David, Samuel,

Hezekiah, Elijah, Jeremiah, Ezekiel, and Daniel. Christ is pictured in the New Testament as the ultimate intercessor, and because of this, all Christian prayer becomes intercession since it is offered to God through and by Christ. Jesus closed the gap between us and God when He died on the cross. Because of Jesus' mediation, we can now intercede in prayer on behalf of other Christians or for the lost, asking God to grant their requests according to His will.

God calls all Christians to be intercessors. It is God's desire that every believer be active in intercessory prayer. What a wonderful and exalted privilege we have in being able to come boldly before the throne of Almighty God with our prayers and requests!

[Ephesians 4:11-16](#) ESV

And he gave the apostles, the prophets, the evangelists, the shepherds and teachers, to equip the saints for the work of ministry, for building up the body of Christ, until we all attain to the unity of the faith and of the knowledge of the Son of God, to mature manhood, to the measure of the stature of the fullness of Christ, so that we may no longer be children, tossed to and fro by the waves and carried about by every wind of doctrine, by human cunning, by craftiness in deceitful schemes. Rather, speaking the truth in love, we are to grow up in every way into him who is the head, into Christ, ...

CORNERSTONE
MOUNTAIN ASSEMBLY

We founded and continue to support a School in Otada Village, Nigeria. It is a school for orphans and widow's children.. We are a non-profit organization that is building and running this school

- Gilgal Women & Children's Ministry.

Inflation has kept us from finishing and we need support to cover monthly running costs.

Rent till our new building is completed, teachers salaries, meals at school, and many more costs....

Please contact us to sponsor a child, your support can change their lives.

Visit the Gilgal International Facebook Page and Blog!

Please help this Ministry by sponsoring a child or pledging long term donations. Any amount can make a new life for these children.

Knowing first-hand the needs for accessible education to underprivileged children, we founded and continue to support two schools in Otada Village and Otukpo town, Nigeria. The schools focus on providing education for orphans and widow's children nursery to primary 6. We are a Canadian non-profit organization that is building and running these schools - Gilgal Women & Children Ministry International. Gilgal desires to be a bridge between Canada and Africa; giving the two societies an opportunity to be a blessing to each other.

As of 2016 we now have 216 students attending our Otukpo school where we rent a building and 71 at Otada school. In October of 2013 we broke ground for construction of our new building in Otada.

Our vision for the future is to:

- Finish the school building that has been started.
- Start a secondary school.
- Have an accommodation facility which would provide house parents for orphaned and widowed children.
- We would like to have interim house parents that would like to volunteer in near future to allow orphaned children to grow up in families.
- Increase our enrollment each year as the demand for education is great.
- Our goal is also to open facilities and schools for other villages with the same vision for orphans and widowed children.

To stay current on the latest ministry events and developments visit the Gilgal International [Facebook Page](#) and [Blog](#)!

Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world.
