*Anna Morgante/PAOC Mission Canada Worker*

As an urban missionary with Mission Canada, I have a passion to reach our next generation to help them find their identity and purpose in Christ. Personally I get to connect one-on-one with students and their families through telephone calls, outings, house visits and have opportunities to build friendships, disciple, encourage, pray, and support others as they pursue their relationship with God.

Many are struggling with issues of addictions and loneliness, or lack of food and resources. I continue to distribute meals and groceries for those in need and am extremely thankful for faithful volunteers such as Betty Campbell who prepares meals in her home. As a result of our outreach, one mother of the youth that I have mentored over the years had given her life to the Lord.

I serve at Calvary Temple church with Friday night Impact youth group and reach out to our Youth Zone families. It is a blessing ministering at Inner-City Youth Alive located in the north end of Winnipeg and mentoring young adult leaders, helping with summer day camps and weekly Bible studies.

I have traveled to churches within Manitoba and Ontario sharing my heart for missions. Encouraging others to use their spiritual gifting and reach people within their community. It was a real privilege speaking at Alive Pentecostal, New Beginnings Fellowship, and Highway Pentecostal church.

**Psalm 29:11:** “The Lord gives strength to His people; the Lord blesses His people with Peace.” May you continue to feel the presence of God during these uncertain days. What an opportunity we have as Christ’s followers to shine our light and represent His love. I am trusting God in His faithfulness, as He is our strength and fortress.

Thank you for your payers and financial support. Please prayerfully consider becoming a monthly sponsor, or contributing a year-end donation to help meet the needs of families facing adversity. My prayer requests are for divine appointments with those who need to know the Lord. The harvest is plentiful in Canada and much work has yet to be done!

**Thank you to all churches who have welcomed me to share my heart for ministry this summer.**
