FOR THOSE WHO LOVE DETAILS

If you want to know it all, here is the play-by-play for the weekend:

We are driving to Red Deer on a good-ol yellow school bus (bring a small bag with you on the bus for access to snacks & phones).

We are sleeping in the school on Home Church property, where guys and gals will be separate classrooms. There is heating, but no mattresses, so please bring one for your comfort!

Home Church Youth has amazing things planned, from powerful messages, to Darius James performing, dance parties and tribal games.

In free time we will be at the school and otherwise we will be with everyone at the church! We are looking forward to being inspired and pumped on Jesus!

We can't wait!
