We started Christmas land in 2017 with a concept to invite the community and groups to come together and create a magical area known as Christmas Land, this place would be filled with lights, music, stories, shows, and activities all to celebrate in the beauty of the holidays, to move away from the crowded stores, to step away from our devices to enjoy the spirit of the season with our friends and family the traditional way the holidays should be spent.

2018

Grande Cache Animal Society

Mission Statement:
is to Protect and enhance the well being of the neglected, abused, abandoned and surrendered animals.

Christmas Land has selected the Grande Cache Animal Society to be the 2018 Official Charity of choice.

Why the GCAS?

The Grande Cache Animal Society is on the front lines for the neglected and abused animals in our community. Their expenses are endless and with your help we can all make a difference.

During the 2017 Christmas Land experience, we were host to around 800 visitors. We collected over \$2100 in volunteer donations and after all costs, we were able to donate to a couple of the supporting non-profit groups such as the Grande Cache Minor Hockey and the Canadian Jr Rangers.

This year The Grande Cache Animal Society will receive 50% of donations and the other 50% (after costs) will be donated to other non profit groups in our community.

Grande Cache Food Bank

Christmas land will set up food box donation spots at the Grande Cache Tourism Center

To our church leaders:

As discussed at the ministerial meeting, we have been invited as a Christian community, to represent the 'roots 'of the Christmas season. That is the birth of our Lord Jesus. Through a live nativity scene at christmasland2018. The organizers. Have asked for:

1. nativity plays
2. carol singing/ Choir
3. A band- (this one I do not think is possible. Extreme cold and musicians' hands do not work well.)

I personally am terribly excited with the opportunity to share the good news, with the community. Bringing our young and old together, once again.

I remember the impact on parents, and family members seeing kids dressed as angels, Shepard's and the wise men. Doing an annual nativity at Sunday School. And has always been a powerful and fun evangelism tool.

Please let me know if your church still has costumes and props. So, we know what we have to work with. There are still some costumes and props at CMA. We will distribute a list once we have taken an inventory.

Details will follow on the exact dates and times, as the Christmasland organizers have not yet released that information.

I will send out a copy of the play to everyone in the ministerial first for review. I am planning to use a template offline and adjust it to our requirements. If any church leaders have a Nativity play and experience setting it all into motion, please let me know and we can work together on this.

Any worship leaders and musicians Feeling lead to help with the carols and choir part please contact me.

Attached is a sign-up form and a little information for your churches. Please if you could return them before or by the 10th of December. Scan and email or drop them off at CMA offices. Office times available here: <https://www.cornerstonemountainassembly.com/>

If you have any questions, please feel free to contact me.

Thank you
