

I've Been Transformed!

Below is a picture of a caterpillar. A caterpillar transforms itself into something even more beautiful and capable of flying. It transforms itself into a butterfly! The same thing happens to us when we decide to follow Jesus. He can transform us on the inside. He can help the way we think, the way we act, and the way we live.

Can you help turn this caterpillar into a beautiful butterfly?

———— **Romans 12:2** ————

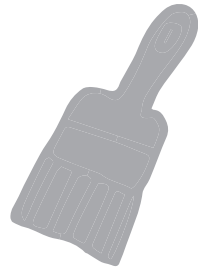

Do not conform any longer to the pattern of this world,
but be transformed by the renewing of your mind.

Then you will be able to test and approve what God's will is—his good, pleasing and perfect will.

Match Them!

Draw a line from the picture on the left to the one that matches it on the right!

Maze

It can be difficult to know which way to go. God tells us that if we are transformed in him, he will help us to know what his will (or plan) is for our lives. Can you help this guy find his way through the maze?
