INTO THE LIFE OF JESUS THE GOSPEL OF MARK

This morning we welcome Daniel McDougall as we explore

MARK 1:21-32 THE VOICE OF AUTHORITY

PRAYER MATTERS

This week, we pray for **Brent and Shelley Weeks** who work with **Reach Beyond Australia** to transmit shortwave and radio broadcasts to tell people in the Asia Pacific region about Jesus. We thank God for:

- the successful launch of a new shortwave schedule on March 31 - one of Shelley's projects,
- the efficiencies of shifting the broadcast audio playback from the studios in Melbourne to the transmitter site in north-western Australia.
- significant progress on the new integrated website and donor management system - one of Brent's projects.

We also bring the following prayer requests before God:

- that the new Devotional programs in the Hindi language will impact the lives of listeners,
- for a developing ministry partnership in Myanmar which will distribute shortwave radios and increase follow-up,
- for the Weeks' children: Nelson and Malcolm, who started post-secondary studies in February, and for Trevor, working as a mechanic in Edmonton,
- for Brent and Shelley making preparations for home assignment in Canada in the summer.
