Welcome! Thanks for joining our online gathering! To get the most out of this worship experience, use this as a guide. Enjoy the service and God bless you!

Worship: We invite you to worship from your home! There will be one or two songs in the service. If you want more, check out the worship recorded by our worship team on our YouTube channel ([Gateway City Church Kamloops](#)).

Message: Tune in at 10:00am for our live service! We are excited to hear Pastor Matt speak on Part 4 of the Jesus in the Old Testament series. If you want to catch up on the first three messages in the series, they are available on the 'Messages' tab of our website.

Kid's City: We have so many resources for your children on the "Kid's City" tab of our website. You can head over there to find lessons, materials and colouring pages for your children!

Life Groups: Here are a few questions and passages of scripture that you can do with your Life Group.

Read Together: Genesis 35:1-15

Q: In this story and generally in ancient times people built monuments and altars remembering an event or something that God did. Why did they do this? We don't build monuments in the same way today, but how could we do something similar?

Q: Even though God revealed himself to Jacob several times we see that his family still had pagan idols that they needed to throw away. Do you think that we carry around a type of idol with us in the midst of our Christian walk? What do they look like? What would be one you struggle with?

Q: Why did God change Jacob's name to Israel? Do you know the meaning to these names? Why is this significant?

Prayer: Could you use prayer for something that is happening in your life? We would love to pray for you. Send us any requests that you may have.
