
"Pursuing Wisdom"

James 1:5-8

April 26, 2020

What are ways you have experienced God giving generously?

What does Matthew 7:7-11 say about how God gives?

How do/have you dealt with doubt in your life?

What are ways we can encourage others in their confidence and trust in God?

Who are people in your life that you consider wise?
What have you learned from them?
