REVELATION THE TRIUMPH OF THE LAMB

# Revelation: The Triumph of the Lamb

#### Going Deeper:

- 1. Notice that joy and worship in heaven is always God directed; focused on who he is and what he has done in salvation. How should this impact our worship? How should this impact our prayers, our devotional life and our corporate worship? How can our worship of God mirror the worship of the angels and heavenly multitudes?
- 2. We need a heavenly perspective on all that happens in our world. Read Revelation 18-19:10 and Psalm 73. How do these passages encourage and challenge us as we live in a world where it seems that the unjust, the greedy, the immoral, the violent and oppressive, the deceiving seem to profit time and time again? How do these passage change your perspective on what is happening in our world? How does it change your perspective on pursuing the things of this world?
- 3. Reflect on Ephesians 5:22-33 and Revelation 19:6-9. Recount the privileges of being part of the bride of Christ. Spend time praising God for these things. Spend time praying for the salvation of those you know who are not invited to the marriage supper of the Lamb.
