

LIVING the 8th FIRE

“Living the 8th Fire” is based on CBC’s 8th Fire documentary. ICPM & MFWR will be hosting a 9-week small group using this discussion-based curriculum.

We would love for you to join us on this journey of dialogue & deeper understanding.

* this is a great resource after participating in KAIROS blanket exercise (if you are interested & have not participated in the blanket exercise, we can accommodate!)
