# THE LORD IS RISEN. HE IS RISEN INDEED!

This is the traditional greeting during the Easter season and a statement of faith. It is with the resurrection that the birth of Jesus, his life and teaching, baptism and breaking of bread, and indeed his crucifixion make sense. In the resurrection we see Christ's life and death, not as isolated events or a new story, but a continuation of God's story of love and grace from the beginning, reaching out to each of us.

The last week before Easter we as a church remember the last week of Jesus' life on earth as preparation for meeting the living Christ in our lives. Although there are many events recorded in the Gospels from that week, we focus mainly on Jesus' entry to Jerusalem (Palm Sunday), the Last Supper (Maundy Thursday), crucifixion (Good Friday) and Resurrection (Easter Sunday). Each of these services is planned to help worshipers to know Christ and the depth of his love for us through the story and to encourage us to respond with all our living.

### Palm Sunday:

On Palm Sunday we remember Jesus' entry into Jerusalem as a suffering servant willing to die in order that we might live. We remember that we, too, declare Christ our Lord one moment and deny him the next. We usually celebrate with palm branches and a call to discipleship.

## **Maundy Thursday:**

On Maundy Thursday we celebrate our Lord instituting his Supper, or communion. The name "Maundy" comes from the Latin word for "command" --- mandatum, from the words spoken by Jesus to his disciples after washing their feet: "A new commandment I give unto you, that you love one another." Often we remember that Christ washed his disciples' feet by a washing of our hands. It is our tradition to celebrate this institution of the Lord's

Supper by sharing communion and by remembering that, as Christ loves us, we are to love others. This year we will be celebrating a Seder supper, or Passover meal, before the communion service.

### **Good Friday:**

On Good Friday we remember the suffering and death of Jesus on the cross. We remember that darkness and death are indeed part of life, and that God has power even over death. This year's service will celebrate God's love and redemption in symbol and music.

### **Easter Sunday:**

At Easter we celebrate the truth that Christ is Lord of death and life, of past and present, of heaven and earth. Our response should not be just enthusiastic worship, but intentionally living in ways that declare the mighty acts of God, who is creating and redeeming all creation --- even us. This year during the Easter service we will be experiencing the story of the disciples on the road to Emmaus.

# THE BATTLE OF VIMY RIDGE

**APRIL 9, 1917** 

On April 9, 1917, the Battle of Vimy Ridge was fought and won by Canadians --- a battle that "would transform a colony to a nation."

Pvt. William Faulkner, father of St. Andrew's Ken Faulkner, wanted to volunteer at the beginning of the Great War, but he was only 17 and needed his parents' consent. So he joined the Banff Guards and trained with them for six months, guarding German prisoners in the Cave-and-Basin area. At one point in their training he and his comrades marched to the river, where they picked boulders, put them into their packs and lugged them back. In order not to waste them, some of the rocks were placed at Signal Hill in Calgary. When his six months of training were completed, William was sent overseas with the 137<sup>th</sup> Battalion.

When the Canadians were asked to take Vimy Ridge --- a territory where the French and British had already lost many lives, the Canadian military agreed, on one condition: They asked for "the formation of a Canadian Corps to keep their troops together, rather than parcelled out amongst British units. This policy, which built morale, would be largely followed to the end of the War. Canada's four divisions, 100,000 strong, were brought together and given all Canadian officers. . . . Its members were stationed on the Western Front, that jagged chain of trenches dug into the mud and clay of France, stretching 966 kilometres from the Belgian coast to the border of Switzerland." <sup>2</sup>

William Faulkner was soon part of the 31st Battalion, Second Division. Before the main battle for Vimy Ridge, his unit was making night raids behind the German lines, agitating the Germans. Ken relates: "One dark night my father and his unit were raiding behind German lines. Retreating through the muddy trenches in the dark, his foot landed on the chest of a dying man, a moment which he regretted for the rest of his life." William's unit was at Passchendaele and served as a relief unit at the battle of the Somme.

At Vimy Ridge on April 9, in a snowstorm, the Second Division took every line. The battle had been carefully planned to the minute. "The maze of tunnels and caverns was one of the most remarkable engineering feats of the war. The extensive underground network would reduce casualties amongst the advancing infantry and returning wounded, and enable supplies to be brought up under less hazardous conditions." "Canadian troops were among the best in Europe", Ken Faulkner asserts. Among them, he explains, were loggers, miners and farmers --- hardy men used to hard lives.

William spent three years, eight months in active service. He was wounded in the thigh at Vimy, and was later gassed at the battle of the Canal du Nord in the last days of the war. Not expected to live, he spent six months in hospital on his return home. He did survive, however, and later helped organize the First Canadian Legion in Calgary.

Two plaques commemorating those from St. Andrew's who fought in WWI may be found at the back of the sanctuary --- one above the ushers' table, and one directly across the room on the window wall.

# **WELCOME TO THE 613 CHURCH!**

#### 613 CHURCH

So you've heard about the new 613 CHURCH! Well now, what is this 613 all about??

Did someone go messing with John 3:16? Nope!

Did someone decide 6:13 in the morning was a stupidly good idea for a church service? Nope!

The 613 CHURCH is an exciting adventure in worship and fellowship, where young families including children can meet in an informal setting. It provides a relaxed time of fellowship, worship with guitars, drums etc. and exploring God's word together. It is a great time to get questions answered and share how God is at work. A place where friendships can emerge and fellowship grow.

#### 613 CHURCH

Started: January, 2017 Where: Karl English Lounge

When: Meet the last Saturday of each month at 6:13 pm (now you know why the name, 613 CHURCH!!)

### What to expect at a 613 CHURCH worship time

6:13 pm - meet for an informal time to greet each other and catch up with what's happening.

Occasionally food is served, ie., dessert, pizza, or potluck (Presbyterians do love their food!) Time of worship: 6:13 pm

Guided discussion around a prechosen subject with lots of time for sharing and Q&A. Worship includes singing choruses and hymns with guitars, drums or whatever for jamming. If you've got an instrument, bring it.

Feedback: positive feedback from those who've attended is that they enjoy the guided discussion and sharing in a relaxed and informal setting.

The evening finishes up by 8:00 pm so those with families can get home in good time.

The 613 CHURCH is a ministry designed with portability in mind which can be in time, transferred and used for our St. Andrew's ministry South of Fish Creek.

For further information, please contact Rev. Jared (403) 255-0001.

# Join us for our next service April 29 at 6:13 pm in the Karl English Lounge

The Search Team wants the congregation to know that it is working diligently to fill the Minister, Vision & Direction vacancy. Since the process started we have interviewed several candidates via Skype, as well as bringing some potential candidates to Calgary for more in-depth interviews. However, to date the Search Team 's desire to extend an invitation to a candidate to preach for a call here at St. Andrew's has not come to fulfillment for a variety of reasons. And so the process continues, and the team would appreciate your prayers of support as we all continue this journey together.

# IT IS FIRE DRILL TIME AGAIN!

As spring arrives, so does our need for a fire drill. The day has been set: May 21, 2017.

On that day we will enjoy worship together as usual. At the end of the service the fire alarm will sound, and we as a congregation will exit the church. Everyone in the building must evacuate. The faster we evacuate, the less time we will have to spend outside. Once everyone is out and the building has been checked, we will invite everyone back in for Timbits and coffee.

### **FAQs**

Q: What if it is hard for me to evacuate because of mobility issues?

A: If you need assistance evacuating, you will be asked to wait for assistance after those with more mobility have left. There will be people to assist you to exit the building to the front lawn, where there will be chairs available so you can sit down and await the all-clear signal.

Q: Why do we have to do this?

A. As part of our church's Leading With Care policy, fire drills are mandated to take place at a minimum of every two years. We are required to report to Presbytery before the end of May that St. Andrew's has completed a Sunday morning emergency evacuation drill.

Q: How will I know what to do on that day?

A: Instructions will be given at the beginning of the service and repeated at the time of the drill. There will be designated people available to answer questions and give directions.

Q: What if I want to leave before the fire drill?

A: We will be asking that no cars exit the parking lot during the drill before the all clear has sounded. The drill should take less than five minutes, but if you are concerned about time, please do not park in the parking lot.

Q: What can I do to help?

A: Be here for worship on that day, to help us be ready in case of emergency. Contact Rev. Jan to offer to help that day. We will give you a task and provide detailed instructions as well as having support available to answer questions.

Thank you for your co-operation in advance.

### SEDER DINNER - APRIL 13, TRINITY HALL, 5:30 pm

The Seder dinner is a traditional ceremonial retelling of the story of Passover that Jews have celebrated for more than 2000 years. Matthew, Mark and Luke all point out that Jesus celebrated Passover and the Seder with his disciples on the night before he was betrayed.

This year, as we live into the Easter story, we want to provide you the chance to experience this night the way Jesus and his disciples might have.

Join us with your family at 5:30 pm for a simple supper in Trinity Hall followed by Rabbi Shaul Osadchey leading us through the story of the Passover. All ages are invited to come and find out what makes this night different from every other night.

The majority of the project will be completed during July. We will be 'open for worship' during this time, but will not be able to use the sanctuary for much else. More information will be available closer to the start date but in the meantime, if you have any questions, please speak to Lynn Judd or Tom McIntyre.

On May 28th, Ascension Sunday, we will be hosting the Rev. Dr. Charles Fensham, Professor, Knox College.
