Church Family,

I'm grateful that our church collected well over \$2,000 for disaster relief in the wake of Hurricanes Laura and Delta. Hurricane Laura occurred back in August and Hurricane Delta took place more recently in early October. Since then we've had many in our church and a few here in our community that have made donations to help with cleanup and rebuilding efforts. Thanks to your generosity we were able to send \$2,192 to the Louisiana Baptist Convention's Disaster Relief fund. Much appreciation to those that gave!

On Monday I will be headed to Ingleside Baptist Church in Macon, GA for the annual meeting of the Georgia Baptist Mission Board. It will be quite different from previous years. Because of COVID precautions, what has previously been a three-day event will take place over the course of just one afternoon. Some of us are grateful for that change! There is limited seating available due to social distancing requirements. If you're interested you can watch the proceedings live online on Monday, November 9th, from 1-6pm at the following link: <https://gabaptist.org/live/>. I'll be serving on the Order of Business Committee. It is always an honor to serve our state convention.

Next Sunday (11/15) we'll be celebrating baptism at the beginning of our 11:00am service. We have one child and possibly one teenager that will be participating. If you or a family member is interested in baptism, I would love the opportunity to talk with you about what Jesus has done in your life and what baptism means. Please reach out and let me know. Give me a call here at the church (912-375-3315) or shoot me an email at deek@southsidedirection.com.

—Bro. Deek
