Ephesians Study Questions Ch 4:1-16

What stood out to you from Sunday's sermon?

Someone read Ephesians 4:1-16

What did it look like for Paul to live a life worthy of the calling he received? What does it look like for us to live a life worthy of our calling? What has God called us to?

When so many aspects of the Christian faith revolve around unity and its importance, why does the church seem to struggle with being united? What are we doing to start creating unity?

Christ has given us many gifts to be used to build up the church. What gift has God equipped you with to build His church? Describe how the church would look if we reached maturity and unity in faith. What is an area of our church that you can influence to reach this goal of maturity?

Verse 14 speaks of deceitful people and their teaching that tosses the church back and forth. What examples do we have of that today in the Christian faith? How can we guard ourselves for those lies?

What does it look like to speak the truth in love? What ways have we as a church fallen short of this? How can we speak the truth in love in our marriages? How do failing marriages block unity in the church? How can the church support married people and build them up? How can verse 2 make a difference in our marriages and in our church?
