

## WELCOME TO ST. ANDREW'S CHURCH!

We are so glad that you've joined us for Sunday worship. Our hope is that during today's service, you will experience the warm welcome of Christ's Spirit, receive his Word and guidance in your life and discover the courage to pursue his will in the world. Please join us for coffee in the Lounge opposite the Sanctuary following the service.

If this is your first time visiting with us, we would love to get to know you more. Please fill out a Connection Card in the pew rack. You can drop it in the offering plate or leave it with the ushers at the back of the sanctuary. Please visit the Welcome Desk in the Foyer or speak to one of our ministers if you have any questions.

And welcome to our NEW Worship Guide. We have used all of our pre-printed covers and have decided to produce this tri-fold service guide in-house as a better way of providing information and welcoming newcomers. We welcome your feedback.

### OF NOTE TODAY

**Advent** is the beginning of the church's liturgical Calendar. For four weeks leading up to Christmas we prepare for the coming of Christ—his coming in Bethlehem; his coming into our hearts and world; and his coming again in glory. Advent nurtures a spirit of "waiting" without complacency for the transformation that Christ brings.

### A SEASON OF PREPARATION

Our Christmas "to-do lists" can be long - food, gifts, decorations, parties etc. Yet without Spiritual Preparation all of our "to-do" lists can simply leave us exhausted. **To help you prepare Spiritually we are offering a number of free daily devotionals for children, teens, families, adults and seniors** on a table in the foyer. You can also access a devotional online if that is more convenient.

Visit [prayasyougo.org](http://prayasyougo.org) or [d365.org](http://d365.org). Let us prepare and take time to be still and open to the Spirit's presence and guidance.

**Health Matters: Facts from your Nursing Team**

Seasonal Flu is a respiratory illness caused by the influenza virus. Studies show that getting the flu vaccine reduces illness and spread to others.

Unless your Doctor advises otherwise, it is recommended that everyone from 6 months and older should have the flu vaccine.

It is necessary to receive the vaccine annually as the flu virus can vary from year to year and the vaccine is now available.

The flu vaccine is free if you live in Alberta and is offered by AHS clinics, through local pharmacies and family doctor's offices in all areas of the city.

For further information, please call 811 for a clinic near you.
