## Pastor of Student Ministries

---

### Pastoral Leadership

- Passionate about developing lasting relationships and motivating youth to intentionally follow Christ.
- Diligent about teaching the Bible in an engaging, thought-provoking way.
- Developed and implemented several programs such as: Discipleship, Student Leadership, Student-Led Outreach Team.
- Organized several denominational youth events including yearly Sr. and Jr. High Youth Retreats and Good Friday Youth Rally.
- Demonstrated my passion for all areas of church ministry by jumping in wherever needed, for example: Preaching during services, teaching classes, creating materials for our very successful summer VBS camp, teaching in children's ministry, performing administrative tasks, and handling facility responsibilities.
- Launched the church's first Youth Short Term Missions Trip. Developed a strategy for training, organizing, and overseeing the students and adult volunteers on the trip.
- Witnessed God move in the youth ministry as it increased to more than triple in consistent weekly attendance.

### Camp Leadership

- Took on the "Interim Director" role at Bellevue Lodge at age 19.
- Responsible for hiring 27 camp counsellors some paid and some volunteer.
- Created, planned, and staffed various summer curriculums and activities for a diverse age group at both overnight camps as well as Vacation Bible School type programs.
