

Jesus loves me this I know

Jesus loves me this I know,
In response I love Him so.
All of us to Him belong
in our lives / In His strength
He makes us strong.

Yes, Jesus loves me
Yes, I love Jesus
Yes, Jesus loves me
I gladly love Him too!

Sometimes in my life I fear
things I do not understand.
Then I know that He is near
in my heart I hold His hand.

Yes, Jesus loves me
Yes, I love Jesus
Yes, Jesus loves me
I gladly love Him too!

Jesus trusts what we can be,
even though we may not see.
Life in fullness every day
shared with others is His way.

Yes, Jesus loves us
Yes, we love Jesus
Yes, Jesus loves us
We gladly love Him too!

When our days on earth do end
we will still walk hand in hand.
With the Lord our constant guide
always with us by our side.

Yes, Jesus loves us
Yes, we love Jesus
Yes, Jesus loves us
We gladly love Him too!
