

## Money, Faith & Worship:

In April, as a church, we discussed the trend of a declining cash buffer. I challenged us to work towards getting our buffer back to the \$20,000 level before the start of the summer holidays. At the end of March the buffer was at \$15,240. By the end of April it increased approximately \$2000 and reached \$17,147. Your gifting moved the church to achieve 40% of the goal in one month. That is significant and something to be celebrated. But then we headed into the summer months.

August there is a deficit of \$3634.53 in covering our expenses for the month; and year to date a deficit of \$5744.47. Last years total deficit was \$17199.18. August the River paid two month of Don Ross Rental, and the yearly fee from Church OS so expenses were unusually high. Regardless of this giving was less then August 2013.

Thank you for your faithful giving and let us continue in our steps of trust.

## Fueling Thought

"We rarely hear a theology of suffering today. What we are hearing more often is a theology of comfort. "Come to Christ and you will be blessed." "Pray and God will give you a new car!" "Give God \$10 and He will give you \$100 back! The prosperity gospel is not the true gospel. It's simply a veneer of Christ talk over a core of modern materialist culture. It is crass materialism wrapped in religious language." Darrow Miller of [disciplethenations.com](http://disciplethenations.com)
