

## COMMUNITY NEWS & EVENTS

### Mental Health Awareness Week: May 6-12

One-in-five Canadians have experienced a mental health issue and countless more have faced the challenges of mental health through friends and family affected by the illness. As a church family we want to affirm that we're all in this together.

If you know someone with a mental health problem, can you give a little of yourself to them today? To listen and walk alongside, showing that you care.

If you are facing fear, doubt, disturbing thoughts, anxiety, depression or anything that has your mind wrapped up, please hear our hearts: you are not alone. You are loved, you are important, and you have a home here among God's people.

May we become God's light of healing for mental health as we minister His comfort, friendship & hope together.
