### NAB Missionary of the Week...

**Gary Clatterbuck, NAB Missionary in Russia**

Gary Clatterbuck is the field coordinator for Russia working with Moscow Theological Seminary. He helps provide consultants, upon request, to ten different Learning Centers across Russia. He continues to work with MTS to plan future ways consultants can serve the developing leaders in all of Russia. A recent law has created tighter restrictions on missionaries and evangelism, and there has also been pressure placed on evangelical schools. Even so, Gary continues to connect individuals from the United States and Canada with ways they can assist MTS. Pray for the hearts and actions of Russia's leaders, as well as the complicated logistics it creates for Gary's work with MTS. Find out more about Gary's work at [nabonmission.org/missionaries/gary-clatterbuck](http://nabonmission.org/missionaries/gary-clatterbuck). (Due to the precarious nature of the situation because of the new law, please don't share this anywhere online, including social media.)
