

# WHO WE ARE

## JESUS IS OUR GOAL

Our ultimate desire is to be more like Christ. In all that we say and all that we do, we want to be people who walk with Jesus and live for Jesus. We are not perfect, but we try our best every day to be more like Him. We understand that He is our main focus.

## PEOPLE ARE OUR HEART

We value people because God values people. We are passionate about everyone, no matter who they are or where they come from, coming to know Jesus. We welcome everyone no matter where they are at on their journey. We believe that our differences shouldn't divide us, but should unify us as we pursue Christ together.

## FUN IS OUR CHARACTER

We believe that fun should be a part of everything that we do. Life can get intense, so we believe that it is important not to take ourselves too seriously. We celebrate every win, encourage one another in our losses, and find joy in the little things, making sure that everything we do point us back to Christ.
